SENIOR PROJECT DELIVERY ENGINEER | PMP

Infrastructure Delivery | Operational Readiness & Handover | Governance | SOPs | Automation | Decision Support

KEY HIGHLIGHTS

- Ministerial Recognition: Personally received the 2025 Excellence Award from the Minister of Transport and Logistic Services for outstanding performance and innovation in infrastructure delivery.
- Lead interface-heavy infrastructure delivery in live operational environments, coordinating approvals, readiness gates, constraints, and handover documentation across multiple stakeholders and contractors.
- Build and implement SOPs that formalize delivery workflows, roles, and quality gates, strengthening consistency, accountability, and audit readiness.
- Led digital transformation by redesigning reporting workflows and deploying Python and VBA automation with governed templates and validation controls, improving reliability, consistency, and decision speed.

PROFESSIONAL SUMMARY

Senior Project Delivery Engineer who delivers complex infrastructure workstreams end-to-end, from planning and execution to operational readiness and handover. PMP certified, recognized for strong delivery governance, stakeholder leadership, schedule discipline, and compliance-focused execution. Known for elevating delivery performance by implementing SOPs and building rules-based automation that removes ambiguity, standardizes outputs, and improves quality across business-critical operations.

CORE COMPETENCIES

Project Management | Project Delivery & Governance | Operational Readiness & Handover | Planning & Scheduling | Stakeholder & Interface Management | Compliance, Quality Gates & Controls | Risk Identification & Mitigation | SOP Development | Workflow Automation (Python, VBA) | Data Analysis & Reporting (Excel, Power BI)

PROFESSIONAL EXPERIENCE

SAUDI ARABIA RAILWAYS (SAR), Riyadh

Senior Project Delivery Engineer | Jan 2025 - Present

Project Delivery Engineer | Aug 2022 - Dec 2024

- Lead delivery and operational readiness for infrastructure workstreams from planning through handover, ensuring alignment with standards, safety requirements, and operational constraints.
- Support delivery across major infrastructure programs, coordinating scope, interfaces, schedule, risk management, approvals, readiness gates, and handover documentation.
- Review SOWs, RFPs, and technical deliverables to strengthen scope clarity, governance controls, and operational readiness requirements.
- Implemented Infrastructure Projects SOPs and standardized Notification of Works governance using controlled templates, business rules, and quality gates.
- Automated Weekly Operating Notice generation and OCC data logging and reporting, reducing manual handling and strengthening reliability and consistency.

YASIR THEYAB ALJOHANI

Senior Project Delivery Engineer | PMP

ALKHURAIJI FACTORY, Riyadh

Planning Engineer | Aug 2021 - Aug 2022

HSE Coordinator (Part-time) | Sep 2020 - Aug 2021

- Improved production capacity by redesigning planning workflows, balancing loads, and tightening coordination between production, maintenance, and supply chain.
- Eliminated bottlenecks through root cause analysis, re-sequencing of activities, and resource optimization, improving throughput and delivery predictability.
- Built and maintained integrated schedules and performance tracking to strengthen constraint management, execution control, and compliance readiness.

YANBU ARAMCO SINOPEC REFINING COMPANY (YASREF), Yanbu

Standards Engineer Intern | Jun 2021 - Aug 2021

- Supported SAP inventory data integrity, procurement activities, and technical specification reviews for alignment with organizational standards.

EDUCATION

Master in Management (MiM), MBSC

2026 - 2028 | In progress

Bachelor of Mechanical Engineering, Applied Engineering College, Riyadh

2021 | First Class Honors

Associate Degree in Mechanical Technology, Yanbu Industrial College

2019

Diploma in English Literature, University of Regina, Canada

2015

CERTIFICATIONS

Project Management Professional (PMP), PMI | Certification No. 3972302

Certified Key Performance Indicators Professional, The KPI Institute | Certificate No. 060511648-2529-CKPI2

Certified Strategy and Business Planning Professional (C-SBP), The KPI Institute | Certificate No. 10093221-2536-CSBP1

PROFESSIONAL DEVELOPMENT

Operations Management Training, Transport Sector, Riyadh | Dec 2025

Auditing of Projects and Contracts, Leoron Institute, Riyadh | Oct 2024

Advanced Risk Management Training, Riyadh | Oct 2024

Crisis and Disaster Management, Riyadh | Oct 2020

AWARDS & RECOGNITION

Excellence Award, Ministry of Transport and Logistic Services, Saudi Arabia | 2025 | Presented by the Minister

Certificate of Appreciation, Saudi Arabia Railways | Outstanding Performance | Q2 2025

Toastmasters Best Speaker Award, YASREF | Sep 2019

University of Regina International President Award | 2015
